9 WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

10 JOSE PEREZ MACHIC,

11 Petitioner,

12 v.

13 NATALIE ASHER,

14 Respondent.

CASE NO. C13-1959 MJP

ORDER ON REPORT AND
RECOMMENDATION

15
16 The Court has received and reviewed the Report and Recommendation (Dkt. No. 3) in the
17 above-entitled case. Magistrate Judge Tsuchida recommends dismissal without prejudice for the
18 Petitioner's failure to pay the filing fee pursuant to 28 U.S.C. § 1914.

19 As Petitioner's objections to the R&R point out (Dkt. No. 4), his failure to pay the filing
20 fee was an oversight which he has since corrected. A review of CM/ECF confirms that
21 Petitioner paid his filing fee in this matter. Therefore,

22 IT IS ORDERED that this matter is re-referred to the Magistrate Judge for a
23 reconsideration of the recommendation of dismissal in light of the payment of the filing fee.
24

1 The clerk is ordered to provide copies of this order to Petitioner and to all counsel.

2 Dated this 16th day of January, 2014.
